Dear Parents/Guardians,

Description: This term students have been learning about the knowledge and skills needed to work as an effective team. To put this knowledge into practise, students will participate in 'Beacy Survivor', completing a range of challenges to test their thinking, communication and collaborative skills. We will also be having a team lunch where students will have pizza, juice, an icy-pole and popcorn. If you have a dietary requirement please put this in writing, (please note this is for religious or medical reasons only).

We are also asking for any parent helpers who are available between 9.00am and 11.30am to assist with some of the challenges. Parent helpers must have a Working With Children's Card that is registered to Beaconsfield Primary School.
