Dear Parents/Guardians,

Description: As part of our drug and health education this term we are having the Life Education mobile classroom visit our school from Tuesday 17th April to Tuesday 1st May 2018. ***This is an essential part of the curriculum and students are required to attend.***

Gr 1 Safety Rules / Gr 2 Growing Good Friends - Life Education has been visiting our school for many years and is often a highlight of the students' year. The program helps to facilitate the development of the life skills in students and promote a healthy lifestyle. Lessons are always age appropriate and the students will be covering a wide range of health related topics. In Grade 1 and 2 the topics include safety signs, health messages, positive relationships and healthy lifestyle. Healthy Harold, the much loved Life Education giraffe mascot is always a much anticipated element of the Life Education visit. The session is fun, interactive and really extends and develops students' understanding of the topics covered.

Where: Beaconsfield Primary School

Cost: \$9.00
