Dear Parents/Guardians,

Description: As part of our drug and health education this term we are having the Life Education mobile classroom visit our school from Tuesday 17th April to Tuesday 1st May 2018. ***This is an essential part of the curriculum and students are required to attend.***

Decisions - Life Education has been visiting our school for many years and is often a highlight of the students' year. It helps to facilitate the development of the life skills in students to prevent and minimise the harm of drug misuse. Lessons are always age appropriate and the students will be covering a wide range of drug and health related topics. In Grade 5 and 6 the topics include the decision making process, safe and appropriate use of communication technology, consequences of a range of legal drugs and peer influence. Healthy Harold, the much loved Life Education giraffe mascot is always a much anticipated element of the Life Education visit. The session is fun, interactive and really extends and develops students' understanding of the topics covered.

When: Each grade will attend one session between the 17/04/2018 – 01/05/2018

Where: Beaconsfield Primary School

Cost: \$9.00

Special requirements: None

Due date for notice and money: Friday 23rd March 2018

Regards 5/6 Team
Life Education Co-ordinator

(Please return to school by 9.00am **Friday 23rd March 2018**)
